

The Annual MBI Lake Arrowhead Research Conference

October 16-18, 2009

Call for Talk Abstracts

The MBI retreat will celebrate the diversity of intellectual pursuits that comprise modern molecular biology at UCLA. Fields include: gene regulation, developmental biology, biochemistry, cell biology, immunology, molecular medicine, microbiology, structural biology, genomics, bioinformatics and beyond.

All graduate students and postdocs in MBI faculty labs, MBI faculty, and C&MB and CBI trainees and mentors are invited to submit abstracts (300-word limit) for consideration. Submit your talk abstract by Friday, September 4th via email to MBIGrad@mednet.ucla.edu.

Please also include the following within your email:

- (a) Name and Lab (if you are not faculty)
- (b) Graduate student or postdoc (if you are not faculty)
- (c) Key words for your talk and abstract topic

Remember, those selected to give a talk attend the retreat for FREE!

Deadline to submit: Friday, September 4th
